Welcome to Sherwood High School College & Career Center, I am pleased to introduce Family Connection from Naviance, a Web-based service designed especially for students and families. Family Connection is a comprehensive website that you can use to help in making decisions about your courses, colleges, and careers. Family Connection is linked with College Planner, a service that we use in our office to track and analyze data about college and career plans, so it provides up-to-date information that's specific to our school.

We also use Family Connection to track your Advisory/Career Credit assignments. These assignments are given to you in your Advisory class. The completion of these assignments by their due dates is how your grade is determined for Advisory. Receiving an "F" for Advisory will affect eligibility for athletics and other club activities.

To access Family Connection, and receive your first assignments you are required to meet with Mrs. Barton in the College/Career Center to get set-up.

You must do this by the next advisory: _____.

I hope you find this service helpful and I'm looking forward in meeting with you,

Mrs. Barton
